30TH ONYX ANNIVERSARY

MUTOH recognizes the superior quality output of ONYX software with an entry level ONYX RIP in the box.
Take your MUTOH printer to the next level and convert to ONYX Thrive for just 1,495!

What it is:

For any MUTOH version ONYX product that was part of your MUTOH printer purchase, Onyx Graphics, Inc. will give your customers a full-featured ONYX Thrive 221 with 2 RIPs, 2 Printers and 1 Job Editor for just 1,495.

What you get:

ONYX Thrive 221 network license RIP and end to end print workflow solution with 2 APPE RIPs, 2 Printers and 1 Job Editor
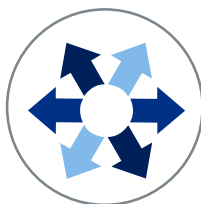

FREE upgrade included to ONYX 19 with the Spark Engine, DeviceLink+, APPE 5.1 and PDF 2.0 features

Access to ColorCheck* to literally prove output accuracy, consistency and conformance to standards to print buyers
*Requires an active ONYX Advantage Gold subscription

Access to ONYX Hub* business intelligence with costing to reduce waste, improve efficiency and increase profits
*Requires an active ONYX Advantage Gold subscription

How it works:

- *Request a conversion to ONYX Thrive*
- *Trade in your existing ONYX Mutoh Edition RIP product*
- *Onyx Graphics will activate your 30th anniversary ONYX Thrive product*
