

HX45000

NEW SERIES

SKINTAC HX45000

Are you looking for a wrap vinyl with a long-term guarantee? HEXIS have made it!

HEXIS are launching the SKINTAC HX45000 series, which is currently the **top of the range** when it comes to quality. Conceived thanks to the Hexis R&D department, it is a new-generation multilayered cast film.

Entirely conformable, it can be easily applied on any indoor or outdoor surface. Its high performance and conformability allow it to be used on curved or textured surfaces (welds or rivets).

Thanks to its surface sliding properties, it offers **easy and time-saving application**.

This series is launched with a total of **36 references**, bringing together the most popular colours on the market. They will be regularly supplemented with new colors and textured effects.

KEY BENEFITS

- Various possibilities: **full wraps**, limited editions, **vehicle fleet**, **industrial applications**
- An easy application
- A unique surface appearance
- A **5 year** warranty

HEXIS WARRANTY

HEXIS are committed to you and apply a unique principle in the market. All vehicles are **guaranteed*** against **yellowing and cracking**:

- > **5 years in vertical position**
- > **2 years in horizontal position**

* Guarantee against yellowing and cracking comes into force from the installation date according to the terms and conditions specified in the warranty document "Special Basic Warranty HX45000".
